MMP Industries secures its first commercial order from Sun Pharmaceutical Industries

Nagpur, 5 May 2023: MMP Industries Limited, a leading manufacturer of aluminium powders, aluminium foils, and aluminium conductors, is pleased to announce its first commercial order from Sun Pharmaceutical Industries Limited, one of the world's largest pharma players, for the packaging of its products.

The Company had earlier received a similar order from another leading pharmaceutical player and this order continues to create inroads into the tough space of pharmaceutical packaging. It is a major milestone for MMP Industries and is expected to significantly aid in revenue growth.

Speaking on the order win, Mr. Arun Bhandari, Managing Director, MMP Industries said, "We are thrilled to receive our first commercial order from one of the world's leading pharmaceutical companies, Sun Pharmaceutical Industries Limited. With the aluminium foil business beginning to show traction, MMP Industries is pleased with this very prestigious association which is testimony to our commitment of providing high quality products and services to our clients.

We look forward to a long and fruitful relationship with Sun Pharmaceutical as we aim to expand our business and strengthen client relationships over the coming years. We remain committed to adding a range of value-added products to our existing product line which gives us the confidence of sustained growth along with a promising business outlook."

About MMP Industries Limited

MMP Industries Limited (MMPIL), registered in Nagpur, Maharashtra, is primarily engaged in the manufacture of aluminium products with its manufacturing plants located in and around Nagpur city. The aluminium product range includes aluminium powders, aluminium foils and aluminium conductors/cables. Over the course of the last three decades of its operations, the company has become a globally recognized player in the aluminium powder field.
